## 2024 Fees and charges

### STATIONERY

On request from parents, we have agreed to supply stationery for the children. We are able to order in bulk and ensure that the classrooms have high quality items available for all the children throughout the year. We will supply tissues, paper towels, wipes and sanitising gel, however we may require parent's assistance to replenish these items throughout the year.

**This fee is payable ASAP at the beginning of the school year.**

One off Fee per child	\$60.00

### VOLUNTARY CONTRIBUTIONS

Your contributions ensure the provision of enriching learning experiences for your child. We rely on every parent/carer to contribute and help support their child's education. Many initiatives are heavily subsidised by the ESC to support our families.
